

Where Do the Funds We Raise Go?

Have you ever wondered where the funds that are raised at the school each year go? Here are just some of the ways that the students at Falun Elementary benefited in the 2017/18 year and will continue to benefit in future years:

- Mural climbing wall (\$8,400)
- A new upright freezer was purchased which Friends of Falun contributed 50% of the purchase price
- \$500 towards new sports equipment for students to enjoy including a new ball cart, balls, nets, etc.
- Two sets of the Rocks N' Rings floor curling kits
- Alternative seating and rocker chairs (\$3,200)
- Each classroom in the Falun school received a \$200 donation to purchase books for classroom libraries ($\$200 \times 6 = \$1,200$)
- Each classroom received \$800 to go towards school field trips ($\$800 \times 6 = \$4,800$)
- Support for students to attend in two groups (Grades 1-3 and 4-6) the Water Safety presentations at school followed by a trip to the Manluk Centre for further instruction and swimming (including busing)
- Preparing kindergarten welcome packages
- Support for groups to present at the school including:
 - Rock and Roll literacy presentation
 - NED Talks (Never Give Up**Encourage Others**Do Your Best) presentation
 - Bigger Than That presentation (Inclusion**Empowerment**Resiliency) featuring Ryan Laird
- One of our sub-groups (Meals by Moms) provided healthy snacks and treats throughout the year at various celebrations (i.e., Halloween, Christmas concert, free pizza days, year-end BBQ, etc...).
- Student Leadership Conference Initiative (SLIC) lunch
- Support to the Grade 6 class for their year-end farewell celebration

Thanks for all of your support in past years and in the future!!
