

Falun School Career Fair 2023

Firefighter

Firefighters protect the public from the dangers of fire and other hazards by controlling and putting out fires. They also provide pre-hospital care after rescuing people and provide emergency paramedical services.

Paramedic

The main duties of a paramedic are to: respond to emergency, provide emergency medical care or care in route to other medical facilities, and use proper techniques for first aid, medical treatments, etc.

Pilot

An aircraft pilot or aviator is a person who controls the flight of an aircraft by operating its directional flight controls.

Doctor

A doctor is someone who is experienced and certified to practice medicine to help maintain or restore physical and mental health. A doctor is tasked with interacting with patients, diagnosing medical problems and successfully treating illness or injury.

Electrician

An electrician is a tradesperson specializing in electrical wiring of buildings, transmission lines, stationary machines, and related equipment.

Dairy Farmer

A dairy farmer is a person who works on a dairy farm, taking care of cows who produce milk that can be turned into consumable dairy products.

Falun School Career Fair 2023

Bee Keeper

A beekeeper is a person who keeps bees. Beekeepers are also called honey farmers, or apiarists. The term beekeeper refers to a person who keeps bees in beehives, boxes, or other receptacles.

Police Officer

A police officer is a warranted law employee of a police force. Police officers do things like apprehend suspects and work in prevention, detection, and reporting of crime, protection and assistance of the general public, and the maintenance of public order.

Mine Geologist

Mining geology is an applied science which combines the principles of economic geology and mining engineering to the development of a defined mineral resource. Mining geologists and engineers work to develop an identified ore deposit to economically extract the ore.

Nurse

A nurse is a person who is trained to give care to people who are sick or injured. Nurses work with doctors and other health care workers to make patients well and to keep them fit and healthy.

Radio Broadcasting

Announcers and other broadcasters read news, sports, weather, commercial and public service messages and host entertainment and information programs for broadcast on radio or television.

IMAX Film Maker

Film makers are the persons responsible for taking the concept for a film project, whether it be movie, advertisement or training video, and turning it into a finished film by assembling a cast and/or crew and "shooting" the sequences.
